www.MaplewoodCemetery.org

- Foundation orders are accepted by postal mail and email.
- Orders will be invoiced, and a location map will be mailed once the foundation is ready.
- Mowing collars of 1" on a side will be added to each order if not already included.
- Please make checks out to:
Maplewood Cemetery Association
- Monuments can only be installed after payment has been received by Maplewood Cemetery.
- Foundations are installed from May 1st to October 15th.
- Foundation orders are accepted all year round.
- Please include the customer information, base size, location, and a rendering of the monument.
- **Important:** Contact us with your installation date and details before the monument is installed.
- **Important:** Make sure that we have your installers certificate of insurance before any installation.

Rules & Regulations

Single: Maximum monument size is:

36" wide x 16" deep.

Double or larger: Maximum monument size is: **60" wide x 16" deep.**

Monument height: Maximum is 48".

Footer Markers –are restricted to 24"x12"

flush(ground level) for monuments, or plaques, limit of 1 per grave. No decorations or garden areas are allowed at any footer.

Monuments installed in the 'Cremation Grave' Area of Section J are restricted to 24"x12" flush (ground level) monuments only for a single grave and **30"x12" flush** monuments centered on double (side by side) graves.

Monuments – Orientation Notes: This will impact the name orientation.

All monuments installed in Sections J or K will be installed as follows:

'Odd' numbered rows will face **West**

'Even' rows will face **East.**

(The face is the front of the monument with the primary inscriptions)

Bases of all monuments shall be finished true and level so as to fit on the foundations without wedging or spalls.

The Maplewood Cemetery Association is a not-for-profit, charitable, volunteer-run community cemetery
