Condolences to Debbie, Lynn, and Paul. I have so many memories of your mom that I can't just pick one. I met her when I was 16 years old and we became friends and later family. Patty was always good, and there for me and my family. I miss her already.

My very special friend. Our girls trip to Las Vegas was so much fun. Everyday we were on an adventure taking the bus. Breakfast and dinner at Dennys on the strip. Wine with a snack in our room because she had to watch the Ellen show. So many memories. I will truly miss her.
