Sam was "good people," and I'll miss him. How many financial planners can talk with their clients about Ayn Rand? Sam and I also shared a common birthday of May 31. I'm sorry for your loss. Please accept my sympathy.

Arlene (enedy) Ryan, and Mary Beth (Enedy) Choromanski

Betsy, Bo and David. Our prayers and condolences are with you all. I remember sam always wanting to come up to me and "Choke" me (Mary Beth) and smoking his pipe. But best of all are the memories i have in the basement with my dad. I am very sorry to hear such news. But God trusted he is in no more pain and in a much better place now. Times are rough, but they will get better. I pray for you and your family. Take care and you will be kept in our prayers.

I will always remember Mr. Sanza's strong sense of right and wrong...from the correct way to handle and fire an airgun into old cans in the hills of Swain, to discussing the battle of good and evil in the Lord of the Rings trilogy, to the right way to enjoy a quality made pipe filled with a favorite tobacco...all the way to the last lesson, the right way to battle the good fight and then to finally let go and create a path for those to follow. For the loss of a loving husband and father, my love is with you all.
