I am so distraught at hearing of my special friends passing.. She actually was much more then a 'Special Friend'.. we called her "Aunt Sue Winsor" at our house. It seems like from the moment we met she was special to my family. I was privileged to see her every week when she came to my salon to get her nails done. From there we had many lunches and dinners together and before we knew it we felt she was part of our family. I am so sorry I didn't get to say goodbye...I will miss her tremendously.. my condolences to you all. She will be greatly missed.
